Acadia

Indoor • Wall Mount

KIOSK

The DCS Acadia kiosk is the perfect solution when you have a message to communicate and space is limited. Utilizing either a 19”, 21.5”, 24”, 32”, 43”, 55”, or 65” display, the kiosk system provides touch screen viewing for a variety of self-service applications.

The integrated Windows PC along with our PCAP touch screen delivers an unparalleled interactive experience. An ultra-thin bezel and flush wall mount bracket is included with all purchases enabling the Acadia to seamlessly integrate with any wall space. The Acadia can be mounted in portrait or landscape orientation.
